Now! Bacon and Eggs
 in 3½ minutes
 when you cook electrically!

TODAY, NOTHING COOKS FASTER than a modern electric range. Bacon and eggs in 3½ minutes. Instant coffee in 60 seconds. Hot soup in 68 seconds. Fry, bake, broil or roast — electricity does it better.

THERE'S MORE: your kitchen is as much as 16° cooler. And cleaner. Pots and pans stay mirror-bright. Kitchen walls look fresh and new twice as long.

SOMEDAY YOU'LL COOK on a modern electric range. It's almost inevitable. But why postpone it? Edison rates are among the lowest in the country. What's more, Edison services your range free as long as you own it. (The only charge is for parts, when needed.)

IF YOU'RE STILL COOKING the old way, it's simply because you haven't seen the new '56 electric ranges at your appliance dealer's.

NEWEST CUB . . . Young Eddie Johnson smiles proudly as Mrs. James Barnhart (left), a den mother in Cub Pack 241, adjusts cap of his new uniform. Eddie, who is patient in Harbor General Hospital's children's ward, was taken into pack last week. Looking on is Nurse Kathie Allard.

Boy Made Cub Member At Hospital

Representatives of Cub Pack 241 had to go to Harbor General Hospital last week for an initiation ceremony honoring the group's newest member. Eddie Johnson, who has been in the children's ward at the hospital for some time, was given his new Cub uniform by Pack officials. He was congratulated on being made a new Cub by Mrs. James Barnhart and Mrs. Paul Konstance, den mothers, and Victor Moore, chairman of committee, of Pack 241, sponsored by St. Andrew's Episcopal church. He has yet to see his new mates, however. Since hospital rules forbid other youngsters visiting in the children's ward, Eddie still is looking forward to meeting his Cubmates.

Disabled Vets Get First Priority in State Loans

New application cards for California veterans who want farm or home loans under the expanded "Cal-Vet" financing plan are now available at the Veterans Service Center, 1622 Gramercy Ave. By submitting this card to the State Department of Veterans Affairs an applicant can place himself on the waiting list for the larger loans, depending on the size of loan he wants, and bearing in mind that first priority goes to wounded or disabled veterans and to applicants for lesser amounts of funds. Maximum loans under the revised program are \$13,500 for a veteran to build a home on his own lot, or \$15,000 to purchase an existing dwelling.

or \$40,000 to finance a farm. The State Department of Veterans Affairs will start making loans on July 5 to two groups: veterans who, because of a wartime disability or wound, are not subject to size-of-loan priority, and veterans who request loans not exceeding \$10,000 for a home or \$20,000 for a farm.

All other ex-servicemen's application cards will go on a waiting list, Mrs. Helen Dill, director here, said, until some time after a \$500,000,000 veterans' bond issue is approved in November. Those requesting lesser amounts of funds will be first to be considered for financing at a later date.

Mrs. Dill offered to help veterans assemble the documentary evidence they will need to prove that they were wounded or disabled, if they are requesting priority.

An information leaflet regarding the larger Cal-Vet loans may be picked up at the Community Chest sponsored Veterans Service Center in Torrance.

Boys Steal Purse, \$200

Deputies are seeking two boys on purse snatching charges after a Santa Barbara woman reported that one of the boys ran past her, grabbed her purse and fled last week in Lomita.

Mrs. Helen Gardner, 77, said she and Mrs. Martha Littleton, 78, both of Santa Barbara were walking in a vacant lot near the 2100 block of Pacific Coast Hwy., shortly after noon. She said the boys ran past, snatching at the women's purses. She said her purse, containing about \$200, was taken but that Mrs. Littleton managed to hang on to her purse.
